# OUR CLUB

## Leisure Sailing

During summer months Thursday night is club night where you can just come and sail for fun but with the knowledge a safety boat will be on the water, members can sail at any time provided a minimum of 2 boats are on the water .

## Our Boats

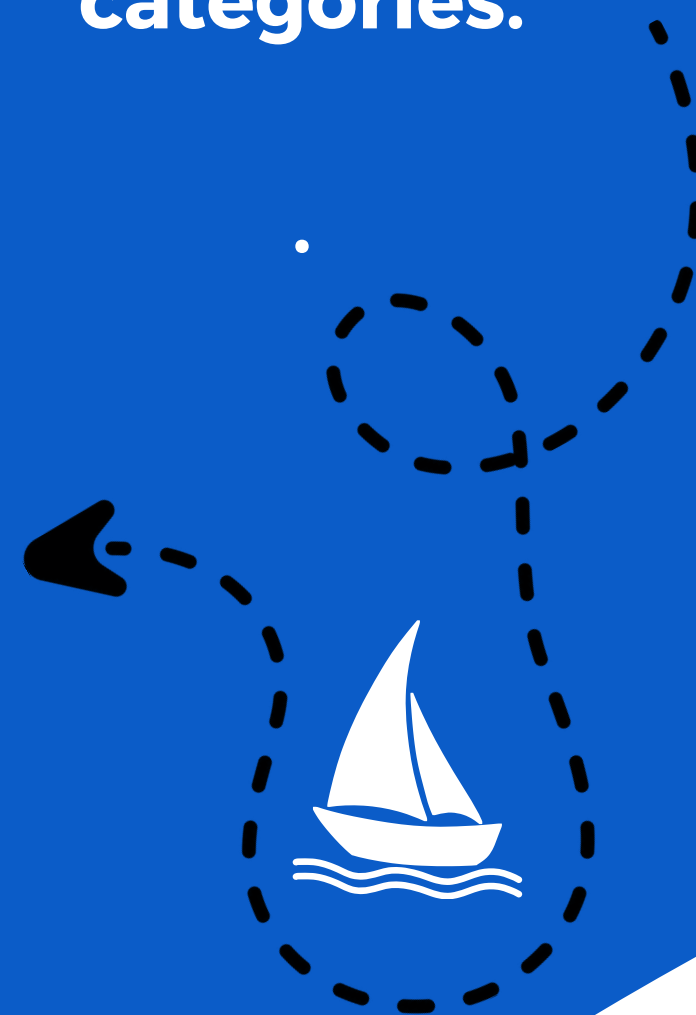

Our Club has a fleet of Laser Pico's a fleet of laser 1's and a fleet of Laser Bahia's for club members to use at a small cost. we also welcome members to bring their own boats

[www.banburycrosssailingclub.org.uk](http://www.banburycrosssailingclub.org.uk)

## Club Racing

Club racing takes place every Sunday morning weather permitting and is a great fun way to increase sailing ability very quickly. Although there is racing at the club you don't have to take part, leisure sailing can be done along side the racers.

There is a friendly competitive league table with prizes for many categories.

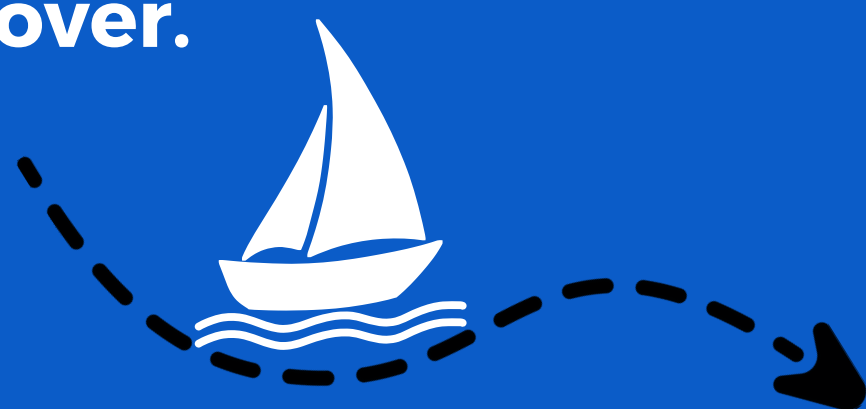

## Adult Level 1

A course for complete beginners. Learn how to sail in all directions and awareness of launching and recover.

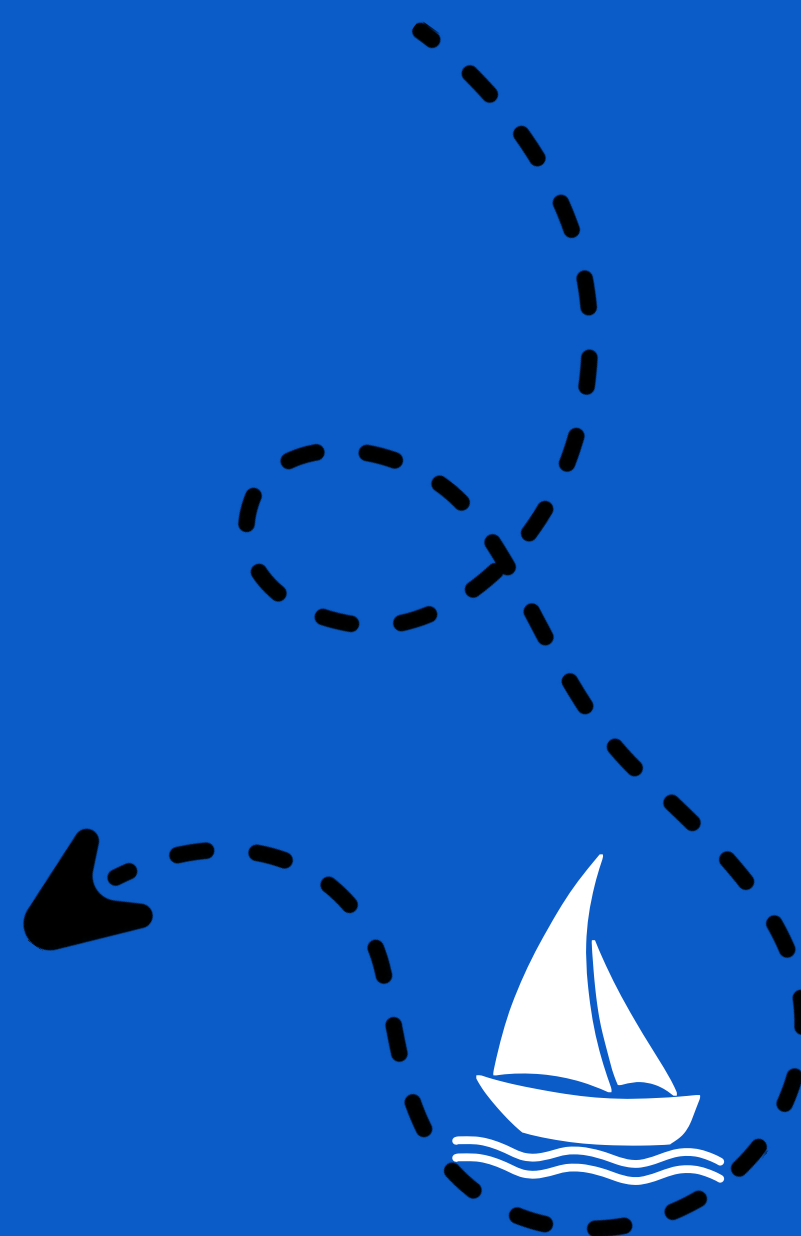

## Adult Level 2

Build your confidence and gain the skills needed to sail and make decisions in good conditions

## Youth Stages 1-4

The Youth Sailing scheme is usually completed in small dinghies suitable for the size of the sailor. Our expert instructors offer a safe environment for children to have fun, learn and challenge themselves.

If your organisation is interested in a tailor-made sailing course, please contact us. The training course fee includes our annual membership and use of club boats, so it really is good value. This gives you the chance to continue sailing using the basic skills acquired on the course.

# Join US

## Training Course Fees

Individual £295

Family\* £395

**\*2 Adults and 2 children (minimum age 10)**

If you would like a trial sail before you sign up for a course please come along to the open day and weather permitting we'll try and get you out on the water with some of our instructors and more experienced sailors.
